

PROPOSALS FOR FOURTH YEAR OF OPERATION

NASA, the European Space Agency, and the UK's Science Research Council are issuing a joint letter announcing that proposals are being received for observing during the fourth year of IUE operations. Proposals in hand in late October, 1980 will be considered for the observing year starting in April, 1981. Each agency will conduct its own proposal review, and anyone wishing to propose should write to the most appropriate agency, requesting detailed proposal instructions. The addresses are as follows:

For NASA: IUE Observatory Administrator
 Code 685
 NASA/GSFC
 Greenbelt, MD 20771
 USA

For ESA: Secretary, IUE Observation Programme
 Selection Committee
 ESA Villafranca Satellite Tracking
 Station
 Apartado 54065
 Madrid, SPAIN

For UK: Dr. R. Payne
 Secretary, IUE Observatory Committee
 Science Research Council
 P.O. Box 18
 North Star Avenue
 Swindon SN 12 1ET
 UNITED KINGDOM

Please call the attention of your colleagues to this proposal opportunity.

Albert Boggess
IUE Project Scientist
