

THE NASA IUE OBSERVATORY SCHEDULE

We present here the NASA IUE Observatory schedule for January through August 1984. Each month's schedule lists the date, local starting time, Principal Investigator, program identification code, and staff members' initials for each shift. The schedules presented here are accurate as of 6 June 1984. Further information about scheduling may be obtained from the IUE Resident Astronomers (301-344-7537).
