Dear Colleague:

It is a pleasure to transmit to you IUE NEWSLETTER #49. Recent issues of the NEWSLETTER have had a tendency to become more voluminous with a corresponding increase in length of time between issues. With this issue we intend to start bringing to you slimmer editions and to supply readers with up-to-date information more rapidly. Our thanks go to the contributors and secretary Mona Drexler for their efforts.

Sincerely,

A handwritten signature in cursive script that reads "Walter A. Feibelman". The signature is written in black ink and has a long, sweeping underline that extends to the right.
